# Creative tools

## Creative Cloud apps and services.

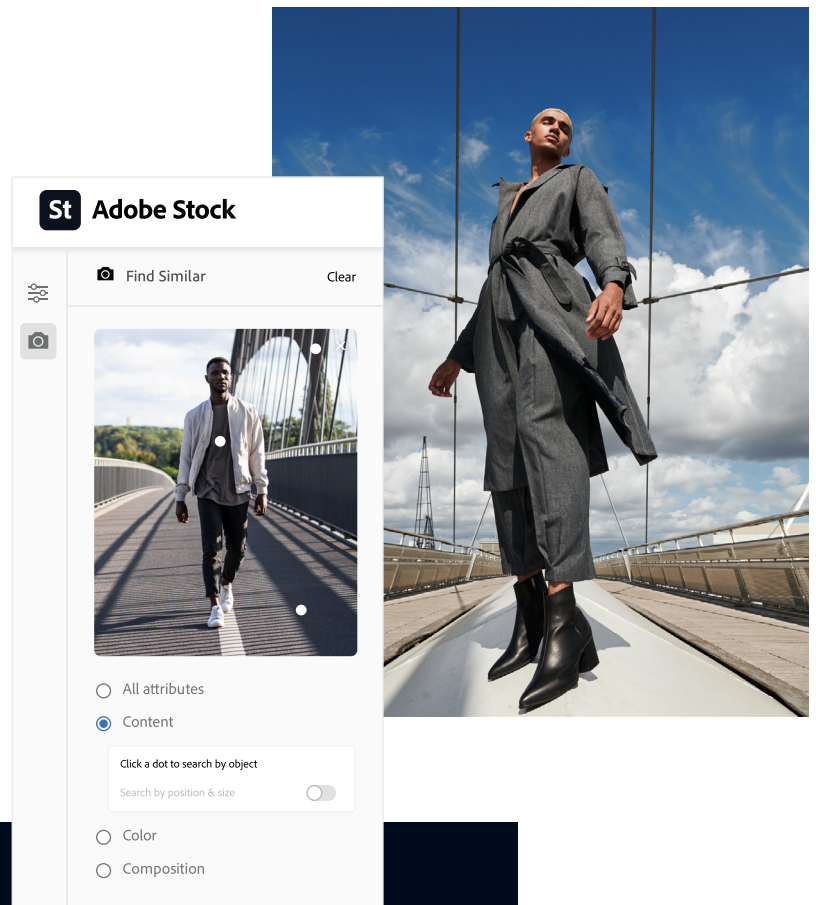

Enjoy 20+ desktop and mobile apps and services for photography, design, video, web, UX, and more so you can cover your entire team's creative needs. Pro Edition is available for both Single App or All-App Creative Cloud plans.

## Unlimited access to Adobe Stock.

Get unlimited access to the entire Adobe Stock standard collection of over 200 million images, vectors, illustrations, 3D assets, and creative templates.

- Design concepts and mockups faster and more efficiently using high-resolution, unwatermarked assets.
- Skip the blank page and jumpstart projects with customizable, layered design and Motion Graphics templates, prepared by creative professionals.
- Search faster, filtering by similar images, aesthetics, color, copy space, and more—it's all powered by Adobe Sensei artificial intelligence technology.
- Create and share custom libraries of frequently used stock design elements to accelerate projects.

Stock plays a growing role in campaigns due to its ability to save time and money.

# Creative workflows

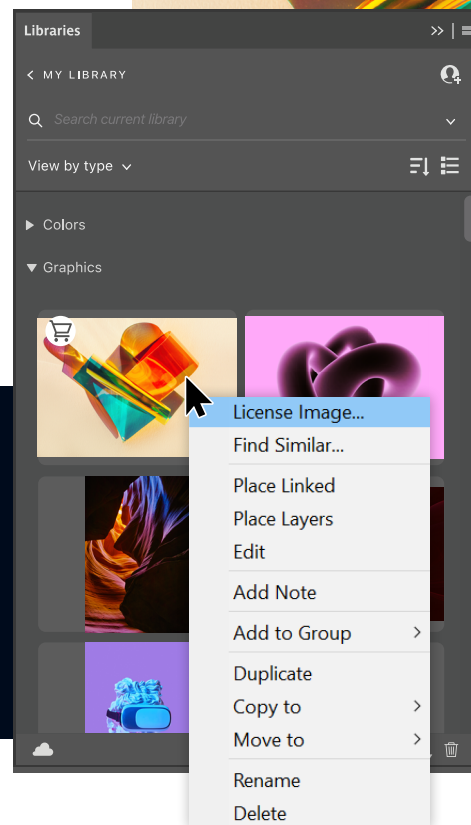

## Creative Cloud Libraries, files, and storage.

Easily store, access, organize and share creative assets and files across devices and teams.

- Consolidate frequently used creative assets such as color palettes, character styles, logos, and images in Libraries.
- Quickly access frequently used and project-specific design elements from any app or device.
- Easily share your libraries with team members and partners outside your organization.
- Maintain better creative control with read-only and editing permissions.

### Create 8x faster overall with Creative Cloud Libraries.

According to a benchmark study by Pfeiffer Consulting, creative teams greatly increase their productivity when they use Creative Cloud Libraries to share assets and settings.<sup>1</sup>

## Creative Cloud and third-party integrations.

**Adobe Stock integration with Creative Cloud and Microsoft PowerPoint:** With just one click, search and license all the assets you need right inside your favorite apps.

**Creative Cloud integration with Slack and Microsoft Teams:** Use your everyday collaboration tools to share, preview, and stay current on comments and updates related to your creative assets and files.

# Built for business

## Single console.

Purchase, deploy, and manage all Creative Cloud and Adobe Stock licenses through a single console.

## Unified license history.

Gain at-a-glance transparency into what you own via Adobe Stock's unified team license history and buying—and avoid purchasing the same asset twice.

## Business-grade licensing.

Get unlimited copies or views of your work with Pro Edition plans. Pro Edition for enterprise comes with additional rights—you can use assets to create merchandise or products for resale or distribution.

## Asset management and compliance.

- Unlimited access to Adobe Stock for the entire creative team means you no longer need to worry about:
  - Managing asset approvals
  - Using unlicensed assets
- With pooled licensing, Adobe Stock assets belong to your company even as team members come and go.
- With Creative Cloud Libraries, creative assets stay with your company even after team members leave.

## Help when you need it.

Experience 24/7 tech support; special 1:1 Expert Sessions are also included on a per user/per year basis.

**“Unlimited access to all of Adobe Stock’s standard assets through Creative Cloud Pro Edition has been a game changer. It allows us to be faster and more efficient, since our teams are no longer scared to take a chance on an image. All of this helps ensure we’re putting out better content—more relevant and on-brand.”**
